

# Barmby Moor Enclosure (1783) & Landowners/Occupiers (c.1839)

## Barmby Moor Enclosure (1783) & Landowners/Occupiers (C19th\*)

\* Unfortunately, the source DDSA/5 map and listing of the 19th century Occupiers and Landowners are not dated, although the names suggest that the source documents were most likely dated in the period 1810-1840

† Where the spelling of a name on the source DDSA/5 listing does not match that in other documents such as census returns, both variants are given, e.g. "Ezzad [alt. Ezard]"

Abbreviations: "Ac" Acres : "Ro" Roods : "Pe" Perches (40 perches per rood : 4 roods per acre)
